Federal guidelines require Indiana University to publish graduation rates for all students and student athletes who receive athletic-based financial aid. This report provides graduation rates for all full-time bachelor’s degree seeking students and student athletes who began in 2011 and completed their bachelor’s degree within 6 years. For comparison, this report also includes full-time bachelor’s degree-seeking undergraduates who were enrolled in the fall of the previous year.

### Graduation Rates

#### All Students
