

Fact Book Retirement

Friday, August 25, 2017

UIRR will be [retiring the static Fact Book](#) version this fall and replace this resource with interactive data views and/or links to other websites for similar data. However, UIRR will be:

- Leaving archived Fact Book files available on the website.
- Posting a cross-walk to where Fact Book Data sections will be posted online or having a contact person listed.
- Providing student and some other modular area data with drill down access.
